

<p>All individuals consider wants and needs for the meeting, supporting the Mission and Vision of the organization.</p>	
<p>Needs <i>Whatever is necessary to function in a sustainable and healthy way for the organization in the immediate future. Needs are prioritized in the meeting.</i></p>	<p>Wants <i>Not an immediate need, but is something that we can improve and address over time. Wants are acknowledged in written form in the meeting, and will be discussed if time allows.</i></p>

<p>Considerations for Meetings and Closing Reminders</p>
<ul style="list-style-type: none"> ● Utilize Consensus Model and Equity Tool when making decisions. ● Consider what is sustainable for the group in the upcoming meeting, and between meetings. ● Discuss if any of the wants not met in this meeting are now needs for the next one. ● Time is given for all to share wants and needs at the end of each meeting as individuals as well.
